

# Super Heroes in Training

Riverside Elementary will be using a Superhero theme this school year. Staff will be wearing their capes at an introductory assembly and to kick off the year in a fun way, we would like all students to **wear a Superhero cape** on Monday, August 29, 2016! This can be easily done with an old t-shirt. You can be as creative or as simple as you want! Go to the following link to see how to make your own:
